STATEMENT OF OBJECTS AND REASONS

There is a need for creation and expansion of educational institutions for improving opportunities of higher education for the youth of the State. In order to accommodate the unprecedented growth of students in higher education, and also to cross the target of 30% gross enrolment ratio (GER), we need to roughly double the number of institutions at all levels by 2020. The Government intervention would not be adequate to meet this benchmark in higher education. We need to enlist the participation of private sector in a major way. Haryana Private Universities Act, 2006 has been brought essentially to rope in private sector to supplement the initiative of Government in expanding the capacity in higher education and upscaling its standards.

To achieve the objectives enshrined in the Act, proposal has been formulated for setting up of World University of Design, Sonapat.

Hence, this Bill.

Education Minister, Haryana.
